Curriculum Vitae

<u>Personal</u>

Name:	**Joseph Bernstein**
Date of Birth:	April 18, 1945
Place of Birth:	Moscow, USSR
Marital status:	Married; 3 children
Address (h):	6 Einstein st. apt. 2, Rehovot Israel 76470
Address (o):	Dept. Mathematics, Tel Aviv University Ramat Aviv, Israel
Telephone (h):	972-8-9382165
Telephone (o):	972-3-6408721
Email:	bernstei@math.tau.ac.il;

<u>Education</u>

1968 - 1972   Ph.D., Dept. of Mathematics, Moscow University

1963 - 1968   M.Sc., Dept. of Mathematics, Moscow University

Academic and Professional Experience

Sept 1993 - present   **Professor,
School of Mathematical Sciences,
Tel Aviv University, Israel**

August 2001 - February 2002   Member,
Mathematical Science Research Institute,
and Visiting Professor at
University of California Berkeley,
Berkeley, CA, USA

September 1997 - January 1998 Member,
Institute for Advanced Study
and Visiting Professor at
Princeton University,
Princeton, USA

January 1983 - August 1993   **Professor,
Department of Mathematics,
Harvard University, USA**

October 1991 - June 1992.   Visiting Professor
(Einstein Fellow and Sackler Institute),
Tel Aviv University, Israel

September 1987 - July 1988   Member,
Institute of Advanced Study,
Hebrew University, Jerusalem, Israel

September - December 1985   Member,
Institute for Advanced Study,
Princeton, USA

August 1981 - December 1982   **Visiting Professor,
Department of Mathematics,
University of Maryland, USA**

1971 - 1978   **Junior Researcher,
Laboratory of**

Mathematical Methods in Biology,
Moscow University, USSR

Active Participation in Scientific Meetings

Fall 1996   Lectures on Supersymmetry,
                            Year in Mathematical Physics,
                            Institute for Advanced Study,
                            Princeton USA.

August 1998   Analytic structures on representation spaces of
                            reductive groups,
                            Invited talk at ICM Congress
                            Berlin, Germany

2001   Organized school in Automorphic forms and
                            number theory in Jerusalem
                            and the conference on Automorphic forms
                            in Tel Aviv, Israel

Prizes and Honors

1976   Annual prize of the Moscow Mathematical Society

2002   Elected a member of the Israeli Academy of Sciences

Membership in Professional Organizations

1981 - present   AMS

1994 – present   Israeli Mathematical Union
